COUNSELING AGREEMENT

I understand that the counseling I receive at Grace Biblical Counseling Ministries will be based on the Counselors understanding of the Bible. I agree to be completely honest with the Counselor at all times; to make every effort to keep the appointments that are set; to cancel any appointments that I am not able to keep by notifying the counseling ministry at least 48-hours in advance if possible or, in the event of sickness or emergency, as quickly as I possibly can.

I further understand that the ministry sessions are structured to last between fifty-minutes and one-hour. I will honor the Counselor's time by adhering to that time constraint unless, by joint-agreement, we decide to extend the session longer. Session lengths can be shortened at any time during the session by the Counselor or the Counselee.

Finally, I understand that these sessions are extended as a ministry of Morrison Heights Baptist Church, and are offered as a part of the church's overall ministry to its members, and the community. It makes no claims of being a State licensed counseling organization.
