PARENTAL CONSENT/COUNSELING AGREEMENT

Re: _____
(Child's Name)

It is understood that the counseling received through Grace Biblical Counseling Ministries will be based on the Counselors understanding of the Bible. We agree to be completely honest with the Counselor at all times; to make every effort to keep the appointments that are set; to cancel any appointments that are unable to be kept by notifying the counseling ministry at least 48-hours in advance if possible or, in the event of sickness or emergency, as quickly as possible.

We further understand that the ministry sessions are structured to last between fifty-minutes and one-hour. We will honor the Counselor's time by adhering to that time constraint unless, by joint-agreement, it is decided to extend the session longer. Session lengths can be shortened at any time during the session by the Counselor or the Counselee.

Finally, we understand that these sessions are extended as a ministry of Morrison Heights Baptist Church, and are offered as a part of the church's overall ministry to its members, and the community. It makes no claims of being a State licensed counseling organization.
